## “Centennial Jacket Patch”

## “A1 Jacket Patch”

The Centennial Jacket Patch will be a GIANT version of Santee’s Centennial Flap, and is also featured in our 2015 Event Set. This Jacket Patch will span approximately 15 inches long, by 7.25 inches to the point. There will only be one run of these, so be sure to grab them will you can!

Our A1 Jacket Patch will be a new twist on an old favorite! Featuring the classic Parakeet, this Jacket Patch will stand at approximately 8 inches tall. This design was first introduced in the 50’s-60’s, and we’re bringing it back just for the Centennial!

**A Minimum of 100 of each patch must be reached prior to order being placed. Orders must be received by May 28, 2015**
